HIRING POLICE OFFICERS!

The Plainfield Metropolitan Police Department is once again seeking highly qualified candidates for the position of full-time police officer. Our recruitment process currently has four to seven full-time openings for 2007-2008 as well as openings for Reserve Officer.

Plainfield is located west of Indianapolis on US 40, bordered by I-70 to the south and Raceway Road to the east which provides a great deal of traffic in our area. We are still a small town community with about 23,000 residents and have a force of 45 full-time officers and 10 reserve officers. The Town of Plainfield offers an employment package of \$33,670 for probationary officers which increases to \$36,998 for second-class officers and \$43,420 for first-class officers. The town also offers a competitive benefits package that includes medical, dental and vision insurance. The department offers a take-home car program for all full-time officers who are in compliance with the residency policy.

The general duties of a patrol officer include: response to scenes of crimes and accidents; patrol all streets in the town limits for the purpose of traffic enforcement; detecting and deterring crime while responding to calls for service at any time on this patrol, enforce all Town, State and Federal Ordinances and laws; maintain all requirements for training; maintain good public relations with citizens and community agencies; adhere to the rules and regulations of the department; render assistance or initiate an arrest for the safety of the officer and the community while in an off-duty capacity; maintain a respect for supervisors while keeping a good rapport with other officers; knowledgeable use of all department forms.
